Tips to write a successful Marie Skłodowska-Curie Individual Fellowship proposal

Daniele Castagneri

MSCA fellow at the WSL, Zurich

h. 11.00 , Thursday 3rd October 2019
TESAF Dept. Council room, 3rd floor

The seminar is intended for young researchers (PhD, post-doc, etc.) interested to apply for a post-doc abroad. A short introduction on the Marie Skłodowska-Curie Individual Fellowships will be provided, with indications on how and where to find more information and on how to write a proposal, including some hints to improve specific sections.
